

The Norfolk Boreas Offshore Wind Farm Order 2021

The Norfolk Vanguard Offshore Wind Farm Order 2022

Norfolk Vanguard East Wind Farm General Vesting Declaration No.1

This GENERAL VESTING DECLARATION is executed on the **09 JULY 2025** by Norfolk Vanguard East Limited ("**the Authority**").

WHEREAS:

- (1) On 10 December 2021, an order entitled The Norfolk Boreas Offshore Wind Farm Order 2021 and on 11 February 2022 (the "**Boreas Order**"), and an order entitled The Norfolk Vanguard Offshore Wind Farm Order 2022 (the "**Vanguard Order**") (together "**the Orders**") were made by the Secretary of State for Business, Energy and Industrial Strategy under the powers conferred on him by the Planning Act 2008 authorising the Authority to acquire the new rights and restrictive covenants over the land specified in the Schedule hereto.
- (2) By virtue of a Transfer of Benefit under article 6 of the Orders, Norfolk Boreas Limited and Norfolk Vanguard Limited each assigned the benefit of statutory rights necessary for the Authority to construct and operate the Norfolk Vanguard East Offshore Wind Farm.
- (3) Notice of the making of the Orders was first published in accordance with section 134 of the Planning Act 2008 on 20 January 2022 in respect of the Boreas Order and 10 March 2022 in respect of the Vanguard Order.
- (4) That notice included the statement and form prescribed under section 134(7)(cza) of the Planning Act 2008.

NOW THIS DEED WITNESSETH that, in exercising the powers conferred on it by section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("**the Act**"), the Authority hereby declares:

The new rights and restrictive covenants described in the Schedule hereto (being in, under or over land and part of the interests in land authorised to be acquired by the Order) and more particularly delineated shaded green and/or yellow on the plans annexed hereto, together with the right to enter upon the land to exercise the new rights and restrictive covenants shall vest in the Authority as from the end of the period of **3 months** from the date on which service of notices required by section 6 of the Act is completed.

In relation to each plot the new rights and restrictive covenants described in the Schedule hereto shall vest in and be exercisable and enforceable by the Authority for the benefit of and for all purposes connected with such other parts of the Norfolk Vanguard East Wind Farm and associated onshore infrastructure as are capable of benefiting from the same.

SCHEDULE**Part 1**

The descriptions of new rights set out in the Table of new rights below shall apply to the new rights in the column headed "Extent, Description and Situation of the Land" in Part 2 of this Schedule. This is by reference to the rights described in column 1 of the Table of new rights indicating the new right(s) described in column 2 of the Table of new rights that are sought over the relevant plot described in Part 2 of this Schedule.

The powers conferred by the Orders to acquire interests and rights and to use land will be exercisable by the Authority. Where the Authority's interest, right or power is conferred by the Vanguard Order this will be set out first and where the Authority's interest, right or power is conferred by the Boreas Order this will be second. Where a zero is entered this means that the Authority is not exercising rights under the relevant Order. For example, a reference "2/2" means that within that referenced plot, the Authority is exercising powers from both Orders and acquiring right number one (as shown in column (1) in the Table of New Rights below) for the Vanguard Order and right number two for the Boreas Order. Where "0/2" or "1/0" is shown then the Authority is exercising powers from only one Order.

In this declaration "authorised project" and "Order Land" have the same meaning as in Article 2 of the Vanguard Order and Boreas Order.
