

Wednesday 9th October

Good afternoon,

Public Information Drop In Events - Necton & Happisburgh

We're pleased to announce the next series of public information events for October. As with previous events, we have chosen locations linked to the next phase of planned construction works, but local residents and other interested parties should feel free to attend any of the events. Members of RWE and Murphy project teams will be in attendance and will be happy to discuss all elements of the projects.

Key topics for the events include cable route, traffic management, de-vegetation, ecological works, Community Fund and skills & employment opportunities.

Dates & Locations

Necton | Tues 22nd October | 13:00 - 17:00
Happisburgh | Thurs 24th October | 13:00 - 17:00

Click here for more information and location details for each event:
<https://norfolkwind.me/infoevents>

If the dates and locations aren't convenient for you but you'd like to talk to us, you can find contact details and information about booking an online chat below.

Project information packs from previous drop ins can be found on the website and packs from these forthcoming drop ins will be published and available for download after the events.

As always, if you have questions please don't hesitate to contact us, and thanks for your continued interest in the Norfolk Zone.

All the best,

The Norfolk Zone Project Team
