

Vanguard West, East & Boreas Offshore Wind Farms Community Drop-In Information Event

Sharing information about upcoming works in your area

Where

Walcott Village Hall,
The Crescent, Walcott
NR12 0NG

When

Thursday
25th September
2025

Time

16:00 - 19:00

We would like to invite local residents and members of the public to drop by and meet with the project team, who will be on hand to share information and discuss the latest updates.

Key topics will include ducting installation, reinstatement, haul roads and access point removal.

RWE have begun construction of the onshore infrastructure for Vanguard West, East & Boreas Offshore Wind Farms. Once operational, these projects are expected to produce enough electricity to power more than 4 million UK households.
