

Vanguard West, East & Boreas Offshore Wind Farms Community Drop-In Information Event

Sharing information about upcoming works in your area

Where

Aylsham Town Hall
Market Pl, Aylsham,
NR11 6EL

When

Thursday
12th March
2026

Time

11:00 - 14:00

We would like to invite local residents and members of the public to drop by and meet with the project team, who will be on hand to share information and discuss the latest updates.

Key topics will include cable movements, reinstatement, jointing bays and access point removal.

Construction of the onshore infrastructure for Vanguard West, East & Boreas Offshore Wind Farms is underway. Once operational, these projects are expected to produce enough electricity to power more than 4 million UK households.
