

# Vanguard West, East & Boreas Offshore Wind Farms Community Drop-In Information Event

Sharing information about upcoming works in your area

**Where**  
Happisburgh Pavilion  
Blacksmiths Lane  
NR12 0QY

**When**  
Thursday  
26th February  
2026

**Time**  
10:00 - 19:00

We would like to invite local residents and members of the public to drop by and meet with the project team, who will be on hand to share information and discuss the latest updates.

**Key topics will include landfall works and other construction activities.**

Construction of the onshore infrastructure for Vanguard West, East & Boreas Offshore Wind Farms is underway. Once operational, these projects are expected to produce enough electricity to power more than 4 million UK households.
