

RWE

Vanguard West, East & Boreas Offshore Wind Farms Community Drop-In Information Event

Sharing information about upcoming works in your area

Where
Happisburgh Pavilion
Blacksmiths Lane
NR12 0QY

When
Tuesday
24th March
2026

Time
10:00 - 19:00

We would like to invite local residents and members of the public to drop by and meet with the project team, who will be on hand to share information and discuss the latest updates.

Key topics will include landfall works, nearshore and offshore activity.

RWE have begun construction of the onshore infrastructure for Vanguard West, East & Boreas Offshore Wind Farms. Once operational, these projects are expected to produce enough electricity to power more than 4 million UK households.
