

Vanguard West, East & Boreas Offshore Wind Farms Community Drop-In Information Event

Sharing information about upcoming works in your area

Where

Necton Community
Centre, Tuns Road
Necton, PE37 8EH

When

Thursday
26th March
2026

Time

11:00 - 14:00

We would like to invite local residents and members of the public to drop by and meet with the project team, who will be on hand to share information and discuss the latest updates.

Key topics will include construction of converter stations, substation design, landscaping and cable deliveries.

Construction of the onshore infrastructure for Vanguard West, East & Boreas Off shore Wind Farms is underway. Once operational, these projects are expected to produce enough electricity to power more than 4 million UK households.
