

Norfolk Offshore Wind Zone Community Drop-in Information Event

Sharing information about upcoming works in your area

Where

Aylsham Town Hall, Market Place, NR11 6EL

Date

14th January 2025

Time

13:00 - 17:00

This event invites local residents and members of the public to drop in and meet with the project team, who will be on hand to share and discuss the latest updates. Key topics will include: ongoing local construction works and information about plans for both Horizontal Directional Drilling (HDD) activity & mainline ducting installation, scheduled for early in 2025.

RWE have begun onshore construction of Norfolk Offshore Wind Zone. Once fully operational, the Norfolk Zone could generate 4.2GW of electricity, which is enough to power more than 4 million UK households.
