

Norfolk Offshore Wind Zone Community Drop-in Information Event

Sharing information about upcoming works in your area

Where

Witton & Ridlington Village Hall,
Stonebridge Rd, NR28 9TU

Date

11th March 2025

Time

13:00 - 17:00

This event invites local residents and members of the public to drop in and meet with the project team, who will be on hand to share and discuss the latest updates. Key topics will include: upcoming access point creation and associated roadworks, planned for late April, and Horizontal Directional Drilling (HDD) planned for June. We will also discuss the process of mainline ducting installation.

RWE have begun onshore construction of Norfolk Offshore Wind Zone. Once fully operational, the Norfolk Zone could generate 4.2GW of electricity, which is enough to power more than 4 million UK households.
