

The Norfolk Vanguard Offshore Wind Farm Order 2022
Norfolk Vanguard West Wind Farm General Vesting Declaration No. 19

This GENERAL VESTING DECLARATION is executed on the 13 August 2026 by Norfolk Vanguard West Limited ("**the Authority**").

WHEREAS:

- (1) On 11 February 2022, an order entitled Norfolk Vanguard Offshore Wind Farm Order 2022 ("**the Order**") was made by the Secretary of State for Business, Energy and Industrial Strategy under the powers conferred on him by the Planning Act 2008 authorising Norfolk Vanguard Limited to acquire the new rights and restrictive covenants over the land specified in the Schedule hereto.
- (2) By virtue of a Certificate of Incorporation on Change of Name Norfolk Vanguard Limited changed its name to Norfolk Vanguard West Limited on 30 September 2023 and accordingly is the Authority for the purpose of this General Vesting Declaration.
- (3) Notice of the making of the Order was first published in accordance with section 134 of the Planning Act 2008 on 10 March 2022.
- (4) That notice included the statement and form prescribed under section 134(7)(cza) of the Planning Act 2008.

NOW THIS DEED WITNESSETH that, in exercising the powers conferred on it by section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("**the Act**"), the Authority hereby declares:

The new rights and restrictive covenants described in the Schedule hereto (being in, under or over land and part of the interests in land authorised to be acquired by the Order) and more particularly delineated shaded green and/or yellow on the plans annexed hereto, together with the right to enter upon the land to exercise the new rights and restrictive covenants shall vest in the Authority as from the end of the period of **3 months** from the date on which service of notices required by section 6 of the Act is completed.

In relation to each plot the new rights and restrictive covenants described in the Schedule hereto shall vest in and be exercisable and enforceable by the Authority for the benefit of and for all purposes connected with such other parts of the Norfolk Vanguard West Wind Farm and associated onshore infrastructure as are capable of benefiting from the same.

SCHEDULE**Part 1**

The descriptions of new rights set out in the Table of new rights below shall apply to the new rights in the column headed "Extent, Description and Situation of the Land" in Part 2 of this Schedule. This is by reference to the description of the rights in column 1 of the Table of new rights indicating the new right(s) described in column 2 of the Table of new rights that are sought over the relevant plot described in Part 2 of this Schedule:

In this declaration "authorised project" and "Order Land" have the same meaning as in Article 2 of the Norfolk Vanguard Offshore Wind Farm Order 2022.

Table of new rights**1 The new rights**

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
1. Access tracks	2. The right to enter onto and remain on the land for the purposes of construction, installation, operation, maintenance and decommissioning of the authorised project and to— (a) pass and repass with or without vehicles, plant, equipment, materials and machinery to access adjoining land and highway for the purposes of laying, installing, adjusting, altering, constructing, using, maintaining, repairing, renewing, upgrading, inspecting, removing and replacing the cables, cable ducts and jointing works; (b) retain and maintain existing hardstandings and lay down, use, repair, alter and remove hardstandings for the purposes of access to adjoining land and highway; (c) retain, maintain and use temporary supporting or protective structures and erect temporary supporting or protective structures (including the bridging over or protection of the apparatus of the statutory undertakers) for the purposes of access to adjoining land and highway; (d) alter, lop, uproot and replant trees, shrubs and hedges and other vegetation for the purposes of enabling the right to pass and repass to and from adjoining land; (e) retain and maintain existing temporary permissive paths and lay out temporary permissive paths for public use (if applicable);

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	(f) effect access and egress to and from the highway; (g) retain, maintain, straighten, widen, repair, alter, upgrade and use existing access routes for the purposes of accessing adjoining land and highway; (h) remove fences, hedges or other barriers during any period in which construction, maintenance, upgrading, improvement, renewal or removal works are being carried out and for the exercise of the power to access the cables (subject to the prior erection of any temporary stock proof fencing as is reasonably required and the replacement or reinstatement of the fences, hedges or other barriers following the end of each period of the exercise of the rights); and (i) construct, install, use, retain, maintain, inspect, modify, improve, adjust, repair, replace, extend, test, cleanse and remove temporary or permanent drainage and manage waterflows in any drains, watercourses and culverts. “adjoining land” for the purposes of this paragraph 1 means such other parts of the land within the Order limits required for the authorised project.
2. Full cable rights	1. The right to enter onto and remain on the land for the purposes of construction, installation, operation, maintenance and decommissioning of the authorised project and to— (a) construct, lay and install, adjust, alter, use, maintain, repair, replace, renew, upgrade, inspect and remove the cables by way of drilling and / or trenching; (b) construct, install, use, retain, maintain, inspect, modify, improve, adjust, repair, extend, test, cleanse, and remove temporary or permanent drainage and manage waterflows in any drains, watercourse and culverts; (c) pass and repass, with or without vehicles, plant, equipment, materials and machinery for the purposes of constructing, laying, installing, adjusting, altering, using, maintaining, repairing, replacing, renewing, upgrading, inspecting and removing the cables, cable ducts and jointing works; (d) retain and maintain existing hardstandings and lay down, use, repair, alter and remove hardstandings for the purposes of constructing, laying, installing, adjusting, altering, using maintaining, repairing, replacing, renewing, upgrading, inspecting and removing the cables, cable ducts and jointing works; (e) enter and be upon the land and remain with or without plant, vehicles, machinery, apparatus and equipment which is ancillary to the purposes of transmitting electricity and telecommunications along the cables, or use of the cable ducts and jointing works; (f) retain and use the cables for the purposes of the transmission of telecommunications and electricity;

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	(g) place and use plant, machinery and temporary structures within the land for the installation, construction, maintenance, repairing, renewing, upgrading, inspecting, removal and replacing of the cables, cable ducts and jointing works; (h) install and maintain cable marker posts to identify the location of the cables, cable ducts and jointing works as required for routine integrity testing; (i) remove, store and stockpile materials (including excavated material) within the Order land; (j) remove fences, hedges or other barriers during any period in which construction, maintenance, upgrading, improvement, renewal or removal are being carried out and for the exercise of the power to access the cables (subject to the prior erection of any temporary stock proof fencing as is reasonably required and the replacement or reinstatement of the fences, hedges or other barriers following the end of each period of the exercise of the rights); (k) install, alter, re-lay, maintain, protect, adjust or remove pipes, cables, conduits or apparatus (including the pipes, cables, conduits or apparatus of statutory undertakers); (l) carry out works to lop, fell, cut or coppice trees or remove roots of trees or hedges or shrubs; (m) retain and maintain existing temporary permissive paths or lay out temporary permissive paths for public use (if applicable); (n) remove archaeological artefacts where they would prevent or cause it to be materially more difficult or expensive to construct, lay, install, adjust, alter, use, maintain, repair, replace, renew, upgrade, inspect or remove the cables, cable ducts and jointing works; (o) carry out environmental mitigation, remediation and enhancement works; (p) install, construct, use and remove temporary welfare facilities during any periods of construction, maintenance, repair, replacement, renewal, upgrade and removal of the cables, cable ducts and jointing works; (q) when the cables are temporarily unusable, to lay down, install, use, maintain and inspect on the surface of the land electric lines, telecommunications, ancillary equipment and associated works and other conducting media together with conduits or pipes for containing the same in and under the land; and (r) place temporarily and use plant, machinery and structures on the land in connection with the lighting of the land and the authorised project. 2. The right to enter and remain on the land for the purposes of the construction, installation, operation, maintenance and

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	decommissioning of the authorised project, and to— (a) enter upon the land and to create temporary secure areas; (b) place equipment on the land, including portakabins and welfare equipment; (c) store plant, materials and equipment; (d) create car parking sites, site offices, site areas for temporary security and welfare facilities; (e) effect access and egress to and from the highway; (f) create fuel storage and bunded facilities for the storage of materials ancillary to the implementation of the authorised project; and (g) access the underground electrical cables, cable ducts and jointing works and any other land used or to be used in connection with the installation and use of the underground electrical cables, cable ducts and jointing works, over the temporary secure area within the land, for purposes in connection with the installation and use of the underground electrical cables. 3. The right to enter onto and remain on the land for the purposes of construction, installation, operation, maintenance and decommissioning of the authorised project and to— (a) pass and repass with or without vehicles, plant, equipment, materials and machinery to access adjoining land and highway for the purposes of laying, installing, adjusting, altering, constructing, using, maintaining, repairing, renewing, upgrading, inspecting, removing and replacing the cables, cable ducts and jointing works; (b) retain and maintain existing hardstandings and lay down, use, repair, alter and remove hardstandings for the purposes of access to adjoining land and highway; (c) erect temporary supporting or protective structures (including the bridging over or protection of the apparatus of the statutory undertakers) for the purposes of access to adjoining land and highway; (d) alter, lop, uproot and replant trees, shrubs and hedges and other vegetation for the purposes of enabling the right to pass and repass to and from adjoining land; (e) retain and maintain existing temporary permissive paths or lay out temporary permissive paths for public use (if applicable); (f) effect access and egress to and from the highway;

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	(g) retain, maintain, straighten, widen, repair, alter, upgrade and use existing access routes for the purposes of accessing adjoining land and highway; (h) remove fences, hedges or other barriers during any period in which construction, maintenance, upgrading, improvement, renewal or removal are being carried out and for the exercise of the power to access the cables (subject to the prior erection of any temporary stock proof fencing as is reasonably required and the replacement or reinstatement of the fences, hedges or other barriers following the exercise of the rights); and (i) retain, maintain, install, use, inspect, modify, improve, maintain, adjust, repair, replace, extend, test, cleanse and remove temporary or permanent drainage and manage waterflows in any drains, watercourses and culverts. “adjoining land” for the purposes of this paragraph 3 means such other parts of the land within the Order limits required for the authorised project. 4. A restrictive covenant over the land for the benefit of the remainder of the Order land to— (a) prevent anything to be done in or upon the Order land or any part thereof for the purpose of the erection of any buildings or construction or erection of works of any kind (including the foundations, footings or other supportive structures thereto); (b) prevent anything to be done by way of hard surfacing of the Order land with concrete of any kind or with any other material or surface whatsoever without the consent in writing of the undertaker (such consent not to be unreasonably withheld or delayed if the proposed surfacing would not cause damage to relevant part of the authorised project nor make it materially more difficult or expensive to maintain the authorised project); (c) prevent mole draining or anything to be done by way of excavation of any kind in the Order land nor any activities which increase or decrease ground cover or soil levels in any manner whatsoever without the consent in writing of the undertaker save as are reasonably required for agricultural activities or are required to be carried out by National Grid in order to exercise their rights in relation to their apparatus within the Order land; (d) prevent the planting or growing within the Order land of any trees, shrubs or underwood without the consent in writing of the undertaker (such consent not to be unreasonably withheld or delayed provided that the proposed trees, shrubs or underwood would not cause damage to the relevant part of the authorised project nor make it materially more difficult or expensive to access the relevant part of the authorised project) provided that the growing within the land of any pre-existing trees, shrubs or underwood do not require the consent of the undertaker; and (e) prevent anything to be done in or upon the Order land or any part thereof which shall or which it is reasonably foreseeable may interfere with the exercise of the other rights set out in this Schedule or the use of the authorised project or in any way

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	render the authorised project or any part thereof in breach of any statute or regulation for the time being in force and applicable thereto.
5. Minor crossings inc. highway to be undertaken by trenchless crossing	1. The right to enter onto and remain on the land for the purposes of construction, installation, operation, maintenance and decommissioning of the authorised project and to— (a) construct, lay and install, adjust, alter, use, maintain, repair, replace, renew, upgrade, inspect and remove the cables by way of horizontal drilling or other trenchless techniques; (b) retain, maintain, install, use, inspect, modify, improve, maintain, adjust, repair, extend, test, cleanse, and remove temporary or permanent drainage and manage waterflows in any drains, watercourse and culverts; (c) pass and repass, with or without vehicles, plant, equipment, materials and machinery for the purposes of constructing, laying, installing, adjusting, altering, using, maintaining, repairing, replacing, renewing, upgrading, inspecting and removing the cables and cable ducts; (d) retain and maintain existing hardstandings and lay down, use, repair, alter and remove hardstandings for the purposes of constructing, laying, installing, adjusting, altering, using maintaining, repairing, replacing, renewing, upgrading, inspecting and removing the cables and cable ducts; (e) enter and be upon the land and remain with or without plant, vehicles, machinery, apparatus and equipment which is ancillary to the purposes of transmitting electricity and telecommunications along the cables and cable ducts; (f) retain and use the cables for the purposes of the transmission of telecommunications and electricity; (g) place and use plant, machinery and temporary structures within the land for the installation, construction, maintenance, repairing, renewing, upgrading, inspecting, removal and replacing of the cables and cable ducts; (h) install and maintain cable marker posts to identify the location of the cables and cable ducts as required for routine integrity testing; (i) remove store and stockpile materials (including excavated material) within the Order land; (j) remove fences, hedges or other barriers during any period in which construction, maintenance, upgrading, improvement, renewal or removal are being carried out and for the exercise of the power to access the cables (subject to the prior erection of any temporary stock proof fencing as is reasonably required and the replacement or reinstatement of the fences, hedges or other barriers following the end of each period of the exercise of the rights); (k) install, alter, re-lay, maintain, protect, adjust or remove pipes, cables, conduits or apparatus (including the pipes, cables,

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	conduits or apparatus of statutory undertakers); (l) carry out works to lop, fell, cut or coppice trees or remove roots of trees or hedges or shrubs; (m) retain and maintain existing temporary permissive paths or lay out temporary permissive paths for public use (if applicable); (n) remove archaeological artefacts where they would prevent or cause it to be materially more difficult or expensive to construct, lay, install, adjust, alter, use, maintain, repair, replace, renew, upgrade, inspect or remove the cables and cable ducts; (o) carry out environmental mitigation, remediation and enhancement works; (p) install, construct, use and remove temporary welfare facilities during any periods of maintenance, repair, replacement, renewal, upgrade and removal of the cables and cable ducts; (q) when the cables are temporarily unusable, to lay down, install, use, maintain and inspect on the surface of the land electric lines, telecommunications, ancillary equipment and associated works and other conducting media together with conduits or pipes for containing the same in and under the land; and (r) place temporarily and use plant, machinery and structures on the land in connection with the lighting of the land and the authorised project.
7. Landfall	1. The right to enter onto and remain on the land for the purposes of construction, installation, operation, maintenance and decommissioning of the authorised project and to— (a) construct, lay and install by way of pull-through within the cable ducts and jointing works, repair, renew, upgrade, inspect, remove and replace underground electrical cables and ducts, including pulling underground electrical cables and other apparatus through existing ducts, together with such telemetry and fibre optic lines, structures, jointing bays, ducting and other apparatus, protection and safety measures and equipment which is ancillary to the purposes of transmitting electricity along such electrical cables (which collectively for the purposes of this schedule are referred to as the “cables”); (b) effect access to offshore apparatus and carry out works for the purposes of construction, installation, operation, maintenance and decommissioning of the parts of the authorised project that communicate between the onshore and offshore elements of the authorised project; (c) install, retain, and connect apparatus to connect onshore transmission apparatus to offshore transmission apparatus; (d) enter and be upon the land and remain with or without plant, vehicles, vessels, machinery, apparatus and equipment which

Table of New Rights	
Column (1) Right	Column (2) Nature of New Right
	is ancillary to the purposes of transmitting electricity along the cables, or use of the cables, cable ducts and jointing works; (e) retain and use the cables, cable ducts and jointing works for the purpose of the transmission of telecommunications and electricity; (f) pass and repass with or without vehicles, plant, equipment, materials and machinery for the purposes of constructing, laying down, installing, adjusting, altering, using, maintaining, repairing, renewing, upgrading, inspecting, removing and replacing the cables, cable ducts and jointing works; (g) pass and repass with or without vehicles, plant, equipment, materials and machinery to access adjoining land and highway for the purposes of laying, installing, adjusting, altering, constructing, using, maintaining, repairing, renewing, upgrading, inspecting, removing and replacing the cables, cable ducts and jointing works; (h) place and use plant, machinery and temporary structures within the land for the installation, construction, maintenance, repairing, renewing, upgrading, inspecting, removal and replacing of the cables, cable ducts and jointing works; (i) retain and maintain existing hardstandings and lay down, use, repair, alter and remove hardstandings for the purposes of constructing, laying, installing, adjusting, altering, using maintaining, repairing, replacing, renewing, upgrading, inspecting and removing the cables, cable ducts and jointing works; (j) retain and maintain existing temporary permissive paths or lay out temporary permissive paths for public use (if applicable); (k) install, alter, re-lay, maintain, protect, adjust or remove pipes, cables, conduit or apparatus (including the pipes, cables, conduits or apparatus of statutory undertakers); and alter, lop, uproot and replant trees, shrubs and hedges and other vegetation for the purposes of enabling the right to pass and repass.

Part 2

1) Plot number on Plan	2.) Extent, description and situation of the land	3.) Freehold owners or reputed freehold owners	4.) Lessees or reputed lessees	5.) Tenants or reputed tenants	6.) Occupiers
01/04 (part)	The acquisition of the rights in category 7 (as defined in the Table of New Rights in Part 1 of this Schedule) in over 7613.02 square metres of beach and cliff scrubland and public footpath (Happisburgh RB22) to the east of Happisburgh Lighthouse, Happisburgh, Norfolk. (Excluding all interests of the highway authority) Unregistered	Unknown Unknown Address Caister Castle Trust 6A King Street Melton Mowbray LE13 1XA (in respect of presumed landowner)	-	-	-
01/11	The acquisition of the rights in category 7 (as defined in the Table of New Rights in Part 1 of this Schedule) in over 1318.63 square metres of land being track and shrubbery to the east of Whimpwell Street, Happisburgh, Norfolk. Unregistered	Unknown Unknown Address (in respect of presumed landowner) Cubitt Siely College Farm School Common Road Happisburgh NR12 0QF (in respect of part subsoil)	-	-	BT Group plc 1 Braham Street London E1 8EE (Company No. - 04190816) (in respect of apparatus)
